Under Federal Law, dues to NOPA are normally deductible as ordinary and necessary business expenses to the extent that they are not used for lobbying activities. Under the Consolidated Omnibus Budget Reconciliation Act of 1993, NOPA must estimate the percentage of dues that will be used for lobbying activities and notify members of the amount of dues that are non-deductible. For 2016, we estimate this amount to be 10% of your dues. NOPA is a membership division of the Independent Office Products & Furniture Dealers Association.
